Please note we do not replace standard light bulbs or spotlights, you are responsible for changing these yourself. You should only contact us to report a light fitting if it is a sealed unit, or if after replacing the bulb it is still not working, unnecessary call outs will incur a charge.

We also ask you to read the [“condensation advice” booklet](#).

Lifts

Please report any faults with the lifts to lettings office within office hours. Please be aware that you may be fined for any faults that are result of misuse by you or your guests. Please do not panic and await their instructions.

Emergencies

We do not offer a 24 hour call out service. Most defects are NOT emergencies and should always be reported within office hours by email (see reporting faults above) however in the event of an extreme emergency out of office hours, such as a major leak or someone trapped in the lift please call the West One Concierge on 0114 2729687 **(Lost keys, faulty alarms going off etc. are not classed as emergency!)**

What if I lose my keys or lock myself out?

If you lose your keys, there will be a £25.00 charge per key/item for a replacement (including key fobs and post box keys) If you lock yourself out of the property and we have to be called out to the property, there is a £20.00 per hour charge during office hours. **We do not operate an out of hour’s service for locking yourself out or lost keys.**

Who is Responsible for the Utility Bills (Electric/Water/TV Licence)?

Heating, water & electricity is included in your rent at Gatecrasher Apartments. Please see you contract for full details of your fair usage limit. A TV Licence is also included however you will need to advise us if you require one

Heating

Your apartment is provided with the latest eco efficient heating & hot water system via Sheffield's District Energy Network. The boilers are housed in a plant room within the development & are pre-set to efficiently give hot water & heating on demand. If the temperature in the core areas drops below 21°C it will activate the heating system. You can then control the temperature of the heating in your apartment with the thermostatic valve on each radiator from 0/low/summer setting to 5/high/winter setting; this will switch the radiator off when it reaches the correct temperature.

Fire Doors/Fire

There are special, additional fire doors in between specific apartments on the fifth floor. These are for South Yorkshire Fire Service's use ONLY, and should not need to be used by tenants. A call out charge will be applicable if they are opened or damaged. Fire Doors/corridors must be free from clutter & must not be blocked. Please familiarise yourself with your fire escape route & procedure, which is located on the landing outside your flat. See our separate document for details of the evacuation procedure. Smoking or tampering with the detectors will set off the fire alarms. Call outs that are a result of malicious behaviour or false alarms could be subject to prosecution and fines from the related emergency services.

South Yorkshire Fire Department Tel: 0114 2727202 www.syfire.gov.uk
